THE ART OF THE FELINE

Many artists spend hours capturing the elusive nature of the world's most beautiful animals. Tonight we celebrate some of the best.

Few artists attempt to go beyond the common big cats – tiger, lion, cheetah, leopard, jaguar, snow leopard, cougar – and portray the smaller cats that make up so much of the world of wild cats.

Artwork helps inspire people to work towards the conservation of these often-endangered animals, and gets children interested in the world around them.

We have some home grown talent locally that has used EFBC's felines for their muse. Previous Follies attendees have seen some one-of-a-kind originals at the silent auctions. This year we hope to have a display of some of the best wild feline artwork being made today.
